

McKenzie Pass Ride

Saturday May 28, 2016

Ride one of Oregon's most scenic mountain pass roadways while it is closed to cars.

The women of the Sorella Forte Cycling Club invite all of our cycling "sisters" to join us for an out and back, recreationally-paced group ride up to the McKenzie Pass Observatory. Help us fill the road with as many women riders as possible. Our goals:

- ◆ Promote women's cycling
- ◆ Strengthen relationships among women's cycling clubs and teams
- ◆ Build awareness of leadership and mentoring opportunities

Ride Details

Ride Start: The Sister's Coffee House

Start Time: Arrive at 9:30 am and ride out at 10:00am

Post-ride: Stay in Sisters to have lunch and participate with the Sister's Stampede cross-country race and events. Travel to Bend for the Bend Don't Brake road race.
